

# Right to a Safe and Clean Workplace

THE SOUTHERN POVERTY LAW CENTER (SPLC) is well-known as an organization that has fought for civil rights and human rights for over 40 years. SPLC is dedicated to fighting bigotry and hatred. We are not affiliated with any government organization or private company.

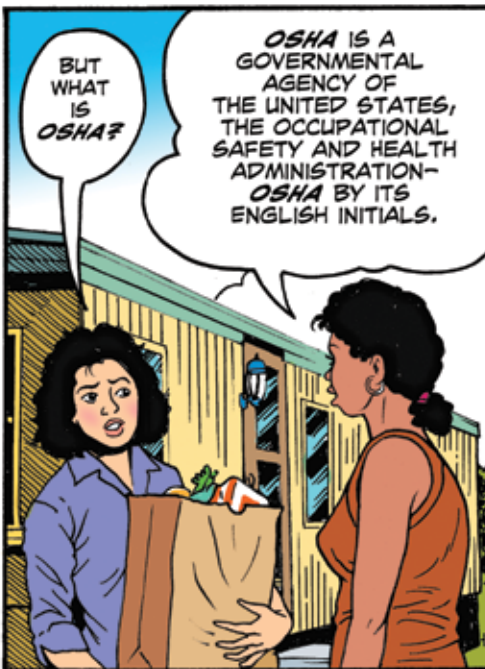

THE IMMIGRANT JUSTICE PROJECT, a project of the Southern Poverty Law Center (SPLC), is a legal initiative that defends labor rights and civil rights in the Southeastern United States. It has extensive experience in this field, and has ample resources to use in confronting injustice.

We are here to support you. Our services are completely free. Call us with questions about your rights as a worker or if you are mistreated by the police or any other government official or agency.

*If you have questions about your rights,  
please call us free at*

**1-800-591-3656**

# Right to a Safe and Clean Workplace

\*You can submit a complaint to OSHA even if you don't know the line speed or other details. If the situation seems too dangerous to you, there are probably violations of the OSHA regulations.

If you have questions about your rights, please call us free at 1-800-591-3656

# Right to a Safe and Clean Workplace

- ➔ No one has to risk injury or death in order to get paid.
- ➔ Every worker has the right to a workplace that is free of serious risks that cause sickness or injury.
- ➔ Everyone has the right to receive the tools and equipment needed to do your job safely.
- ➔ Everyone has the right to be trained in a language that you understand.
- ➔ Everyone has the right to request action by your employer to address dangers and safety violations.
- ➔ Everyone has the right to submit a complaint to the Occupational Safety and Health Administration (OSHA), participate in workplace inspections, and request the results of OSHA inspections.
- ➔ No employer can retaliate against you for submitting a complaint regarding health or safety.
