PROTECTING VOTING RIGHTS AND CIVIC ENGAGEMENT

The SPLC is working to promote an inclusive and equitable society by reducing the number of people who support white nationalist thinking and its resulting public policies. We do this by challenging the driving forces that sustain white nationalism and its harmful effects on individual and community well-being. We confront white nationalists and their institutions, and work to help reduce the impact of white nationalism on communities and individuals.

ECONOMIC JUSTICE AND BIODIVERSITY

The SPLC is creating a more inclusive and equitable society by challenging the drivers of white nationalism and its harmful effects on individual and community well-being. We do this by confronting white nationalists and their institutions, and working to help reduce the impact of white nationalism on communities and individuals.
