

**Statement of Intent**

**Yes!** I want to help ensure the Southern Poverty Law Center can continue its critical work for generations to come. I'm sending this letter of intent to show my commitment to the future of the SPLC and my resolve to build a meaningful legacy that reflects my values.

By becoming a Partner for the Future, I'm making sure the march for progress endures for years. I know the fight to secure racial justice and human rights will continue long into the foreseeable future.

**Please enroll me in the Partners for the Future program.**
